Dover High's football team compiled the best record in the school's history. The players incorporated sportsmanship, hard work, pride and desire into a winning effort. Coach Bill Busching and an experienced coaching staff instilled confidence into each player and inspired them to perform to the best of their abilities.

With the support of the student body, and four weeks of strenuous practice behind them, the Dover Green Wave crushed the powerful Nashua Purple Panthers. This great victory established the momentum that grew each week. With every victory the hopes of becoming state champions mounted and became a reality with Dover's stunning victories over Central and arch-rival St. Thomas Aquinas.

## PRESIDENT'S MESSAGE

Seniors of 69

Soon we will think back on our high school years and wonder how we finally matured or why we never did. Memories of Dover High will answer some of our questions. We may find that an enthusiastic teacher, a book, or the grief we shared enriched us in human understanding. We will discover that fragile and intangible memories of people and events influence our lives.

## TO HOLD ON

Words and Music by Bob Chamberlain  
Member of the Class of 1969

Seasons vanish, good times go  
Only our memories to hold on  
Songs we shared, will always lend  
Bind us yet, though separate, Friend

Cast into a needless mold  
Of our making, must it hold?

Unkind words, and untrue acts  
You hurt me, I turned my back  
We hailed feeling, first of all  
Only to build a sound-proofed wall

Looking forward through Pride's fence  
So little time, so little sense

Seasons vanish, good times gone  
Only our memories to hold on  
Songs we shared, will always lend  
Bind us yet, though separate, Friend
